OR

What we mean for «other activities»?

There are many ways to get 4 credits for «other activities»....

...Seminars

LUISS offers students the opportunity to attend a seminar, with the aim to enhance specific subject.

For Academic Year 2015/2016 these are the seminars at Master level:

Rotman trading lab (in Italian)*	I semester	Barone Emilio
Algorithmic Trading (in English)*	I semester	Barone Emilio
Topics in banking	II semester	Zeno Rotondi
		Casertano
Business crisis and debt restructuring	II semester	Gaetano

- Application for 1st semester seminars already closed. If you have already applied for one of this seminars just confirm your study plan by clicking on “other activities”
- If you want to apply for 2nd semester seminars choose on your study plan “other activities and check all the information for the application on

<http://didattica.economiaefinanza.luiss.it/en/course-information/other-activities/seminars>

- Each seminar needs a certain number of students to start
- To get 4 credits you need: to attend the seminar and to pass the final test

What we mean for «other activities»?

There are many ways to get 4 credits for «other activities»...

...Soft skills and training opportunities

LUISS offers all students the opportunity to take part in **additional, innovative and practical activities** aimed at helping to face new challenges and the complexities of business world more successfully.

The aim is to stimulate the development of interpersonal, critical and creative skills that are often linked to excellence and success at work. **Soft skills are now much more highly valued and carefully assessed by companies** than in the past, and they are considered a key element to performing well at work.

By taking part in these programs, students improve their ability to understand the context around them and to communicate ideas or projects more effectively.

What we mean for «other activities»?

There are many ways to get 4 credits for «other activities»...

...Internship

Curricular internships are done by regularly enrolled students to supplement their course of study. They have a primarily educational scope and are provided as required by the course programs of various degrees.

The discipline and the number of credits are set out by the individual departments. Please note that each credit corresponds to 25 internship hours.
