

CURRICULUM VITAE

17 January 2017

Name : **Jonathan Haskel**

Contact : Imperial College Business School
Tanaka Building, Room 296
South Kensington Campus
London SW7 2AZ
T: 020-7594 8563
F: 020-7594-5915
E: j.haskel@ic.ac.uk
W: www.imperial.ac.uk/people/j.haskel
RePEc page: <http://ideas.repec.org/e/pha161.html>

Nationality : Joint UK/US

EDUCATION

1981 - 1984 : University of Bristol, B.Sc Economics,
1984 - 1985 : London School of Economics, M.Sc Economics,
1985-1990 : London School of Economics, Ph.D Economics.

EMPLOYMENT

1987 - 1988 : University of Bristol, Temporary Lecturer.
1988 - 1990 : Centre for Business Strategy, London Business School,
Research Officer.
1990 - 2008 : Queen Mary, University of London, Economics Department
(Head of Department 2003 to 2008).
2008 to date : Imperial College Business School, Professor of Economics and
Director of Research for the School (2008-2011). Academic
Director, February 2014 to date.

VISITING POSITIONS

1995 : Australian National University; Visiting Research Scholar
(January to March).
1997 : Stern School of Business, New York University; Visiting
Assistant Professor (January to May).

- 2001 : Office of National Statistics, contracted researcher
- 2012 : Tuck School of Business, Dartmouth College, Visiting Professor (January to July).

OTHER PROFESSIONAL ACTIVITIES.

Between 2001-2010 I served two terms as a Member, Reporting Panel of the **Competition Commission**. I served on market inquiries into *Mobile Phones*, *Home Credit* and *Airports*, and the *EMAP/ABI* merger.

From September 2015, I am a member of the **Financial Conduct Authority Competition Decisions Committee** and the Payment System Regulator **Enforcement and Competition Decisions Committee**.

From January 2016, I am a non-Executive Director of the **UK Statistics Authority**.

I have been on the editorial boards of **Economica**, **Journal of Industrial Economics** and **Economic Policy**. I was a guest editor, with Christine Greenhalgh and Christian Helmers, for the Special Issue on Innovation and Intellectual Property in Honour of Mark Rogers, **Oxford Economic Papers**, 2013.

Between 2013 and 2016, I was an elected member of the Council of the **Royal Economic Society**.

I am an elected member of the **Conference on Research in Income and Wealth** (CRIW).

I am a research associate of the **Centre for Economic Policy Research**, the **Centre for Economic Performance**, LSE, and the **IZA**, Bonn.

Between November 2012 and December 2015, I was a member of the "Research, Innovation, and Science Policy Experts" (RISE) high level group advising the European Commissioner for Research, Innovation, and Science on policy.

Member, Economics Working Group, Aerospace Technology Institute, 2015-

RESEARCH GRANTS

April 1990 to March 1991. £10,035 from the Employment Market Research Unit, Department of Employment, for a year's study into the effects of privatisation on labour markets. Joint with S. Szymanski.

September 1990 to September 1993. £105,000 from SPES to study the Microeconomics of the Labour Market. Joint with C. Gilbert and others.

June 1991 to September 1991. £3,000 from National Economic Development Office, to study the consequences of skill shortages on wages and productivity in the UK. Joint with C. Martin.

October 1991 to October 1994. £250,000 from Employment Market Research Unit, Department of Employment, for three year's study into the effects of labour markets imperfections and policy. Joint work with D. Snower and five others.

October 1992 to October 1994. £50,875 from ESRC for two year's study into the effects of contracting on competition. Joint with A. Powell.

October 1994 to October 1996. £190,000 from Employment Market Research Unit, Department of Employment, a further two year's study into the effects of labour markets imperfections and policy. Joint work with D. Snower and nine others.

October 1996 to October 1998. £99,132 from ESRC on project "Wage Dispersion and Employment in UK Manufacturing Plants in the 1980s and 1990s". Grant number R000236653. Joint with R. Disney.

October 1998 to October 1999. £39,956 from ESRC on project "Determinants of Earnings Inequality, Employment and Productivity Growth in a Panel of UK Establishments". Grant number R000222730. Joint with R. Disney and Y. Heden.

January 2000 to March 2000. £5,000 from Department for Education and Employment "Research on Returns to Education and Training" (no grant number).

February 2000 to February 2001. £9,008 from ESRC on project "Estimating the Returns to Education using a New Sample of UK Twins". Grant number R000223232. Joint with Dorothe Bonjour.

May 2000 to May 2001. £57,170 from Leverhulme Trust on project "Globalisation and the Birth, Survival and Death of Manufacturing Establishments". Grant number F/07476A. Joint with R. Disney and Y. Heden.

September 2000 to September 2001. £39,470 from ESRC on project "Trade, Capital Mobility and the Elasticity of Labour Demand". Grant number R000223239.

September 2001 to September 2003. £256,191 from HM Treasury Evidence-Based Policy Fund on project "Developing Productivity Policy Using Plant-Level Evidence". Joint with R. Disney, S. Nickell.

September 2003 to September 2006: £521,602 from ESRC as an AIM Fellowship, including £120,000 for international visiting fellows. Grant number RES-331-25-0030

September 2004 to September 2005. £38,000 from DfES to work on productivity and skills.

June 2006 to June 2007, HMT, £42, 868 to work on UK intangible assets and growth in the UK economy.

June 2007 to September 2007, DTI (now BIS) for £9,882 for summer work on UK intangible assets by industry.

April 2008 to April 2010. €1,464,767 from EU 7th Framework, "Competitiveness, Innovation and Intangible Investment in Europe", grant 217512, COINVEST. I lead a team including Bart van Ark, Charles Hulten and Jacques Mairesse with participation on the advisory board by Ian MacCafferty, Chief Economist at CBI, Ken Warwick, Deputy Chief Economist at DTI, Tony Clayton, Director of Economics at ONS and Yoshi Tojo, Head, Economic Analysis and Statistics Division, STI Directorate, OECD. The outcome of this work is on www.coinvest.org.uk and the cross-country intangible data set so created is on www.intan-invest.net.

April 2009 to September 2010. £504,000 from NESTA, National Endowment for Science Technology and the

Arts, to develop the UK Innovation Index.

April 2010 to April 2011. £200,000 from NESTA, National Endowment for Science Technology and the Arts, to further develop the UK Innovation Index.

September 2010 to August 2013, €24,499.60. From the Commission of the European Communities, “European Network for the Research on the Economic Impact of ICT”, www.ict-net.eu. For conferences and co-ordinated work on the Economic Impact of ICT (I was work package leader for the Intangible Investment part of this effort, which supported by the above amount).

April 2013 to November 2013. £38,227 from NESTA, National Endowment for Science Technology and the Arts, to develop the UK Innovation Index, industry results.

October 2013 to October 2015. £712,467, Catalysing Economic Growth: Releasing the Value of Big Data from EPSRC, EP/K039504/ (I am a co-investigator).

November 2013 to November 2016 £207,088 for SPINTAN, Smart Public Sector Intangibles, from EU FP7, 612774.
