SOFT SKILLS

4 credits

The aim of these courses is to stimulate the development of interpersonal, critical and creative skills that are often linked to excellence and success at work. Soft skills are now much more highly valued and carefully assessed by companies than in the past, and they are considered a key element to perform well at work. Through games, experiments, role playing, and teamwork, they will face problems and come up with solutions while interacting with professors and colleagues.

Available Soft Skills activities:

- LabGov (CTT002)
- Well Being e Sostenibilità (CTT003)
- Skill-a-bus (CTT004)
- Autistici & Giardinieri (CTT005)
- Digital Ethic Lab (CTT006)
- VolontariaMENTE (SJ1, check the Soft Skills webpage to get information about the registration for the project)

INTERNSHIP OR PROJECT WORK

4 credits

Curricular internships (T074), part of a student's University study plan, are generally performed by students enrolled in degree programs of all levels.

These internships are aimed in complimenting students' classroom education with practical experience in their field of interest.

OTHER ACTIVITY

4 credits

The code SJ1 designates a macroarea which includes all those activities students can ask to have recognized for 4 credits (for example Summer Schools, abroad language courses, other activities offered by the Department, other activities which require the department's authorization etc.). An additional choice among the activities with the same label is to be made later.

CHOOSE CAREFULLY!

Log to your **Web Self-Service** page

Make your choices following the instructions in the guide.

Study plan has to be completed within the dates set and communicated by the Student Office.

You can access your page and modify your study plan as many times as you want.

ALWAYS CONFIRM YOUR STUDY PLAN!

IT WON'T BE POSSIBLE TO CHANGE THE CHOICES AFTER THE DEADLINE
